MISSIONS COMMITTEE REPORT

(Atlantic Association, Nov. 1961)

It has been the desire of this Committee to secure an Associational Missionary. Due to the withdrawal of 12 churches last year, and their funds to form another

Association, also, the withdrawal of funds of other churches, the Committee has had the problem of trying to establish what the Association would be able to do. It was found that if our churches would give 2% of Budget Funds to the Association, we could have an Associational Missionary program. The Association voted this and recommended that all churches begin paying this amount. To encourage this, it was suggested and accepted by the Pastor's Conference to use the accumulation to make the down payment on a home for the missionary, while securing enough churches to undergird this program. Only six (6) churches have come near paying this amount for the year: Atlantic, Davis National Avenue, Spring Garden, Battleground Park Mission, and Swansboro.

Brother L. D. Munn and I took one day and contacted several pastors about the possibility of having a part time missionary. There seemed to be some handicap to this program. Therefore, I mailed out letters to see if our pastors would pray for the associational work and to what extent they would lead their churches to support a mission program. Some of them are willing to support on a 2% basis, and some just to give. The churches replying underwrote $6,246.00. Our budget this year calls for around $9,000.00. Therefore we still will be $3,000.00 short on Associational Funds.

The Associational Moderator and I met with Dr. E. L. Spivey, of Raleigh, and he promised state aid on the Missionary's salary. However, this will not lessen the churches' part in Associational Missions.

Therefore we recommend: (1) That a missionary be secured as soon as possible: (2) That all our churches put the Association in their budget on the basis of 2% on the budget dollar: (3) That the churches of the Association begin paying this to the Association by Jan. 1, 1962: (4) That a new constitution be written including the terms and what will be expected of the missionary.

Respectfully submitted,
Joe D. Everett, Ch.

EVANGELISM REPORT

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is being spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated effort toward their objectives. The number of hopeless people - hopeless because they know not Christ - grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the miltitudes to God.

To move forward we must start from where we are. Our association is the best launching ground for new frontiers in evangelism and missions.

Therefore we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962 through 1964. Our dates for 1962 being March 25-April 8.

3. That each church prayerfully consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

4. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The place and date for our next Clinic are The First Baptist Church of Morehead, February 16, 1962.

5. That our association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the Chairman of this committee, and that we pledge our whole hearted cooperation to this committee.

6. That all churches make full use of the Revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.

Respectfully submitted
M. O. Sears, Chairman Evangelism

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw

the largest number of patients in the Clinics - 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

SOME OF THE NEWER SERVICES

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective that the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastor's Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

THE MOST URGENT NEEDS

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES 1961

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their

parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before--well over 52,000. Every family in every church should receive this Christian newspaper.

Respectfully submitted,
Mrs. George H. McNeill

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes--Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albermarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County is proof-positive. This our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and

that we might meet the ever-increasing demands of the aging among us as quickly as possible.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100 birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year fourteen of our residents have been called to the Heavenly Home.

An additional word from the General Superintendent, William A. Poole, is, "Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember, that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

REPORT ON CHRISTIAN LITERATURE

Nearly 2,000 years ago the Apostle Paul said, "Give attention ro reading." He knew then as we know today, that God's people must read to strengthen their faith and enlarge their vision.

No one can evaluate the power of the printed page. The Bible is the essential in character building. The neglect of Bible reading and the failure to translate its teachings into life results in the wave of lawlessness, immorality and irresponsibility which is sweeping the country today. The future of our national life is dependent upon the national character-that is, whether it is spiritually or materially minded.

"The promotion of missions, education, social service and the distribution of sound religious literature" was the primary purpose of the Baptist State Convention of N. C. when it was organized in 1830. Shortly afterward, in 1833, the BIBLICAL RECORDER was founded to promote the aims and purposes of the Conventino.

The RECORDER has three subscription plans: Single subscription $3.00 a year, Church Club Plan, with 4 or more subscriptions, having the same expiration date, $2.50 a year. The Every-Family Plan, with one subscription to each resident family of the Church, with the same expiration date, $2.00 a year.

I wish to highly recommend to every home and individual the use of the following for your daily reading: The Bible as our text book; the Biblical Recorder; Charity and Children; the Commission; Home Missions; Royal Service, The Window of Y.W.A.; World Comrades; Open Window; Home Life Magazine; and Ambassador Life.

Respectfully submitted,
Victor L. Mabry

AMERICAN BIBLE SOCIETY REPORT

The Cooperative Program does not include the American Bible Society but our missionaries depend on the Bible Society for Scriptures, distributed without

profit and usually actually below cost, in the native languages of the people they serve.

Realizing the value of this worldwide service, our churches do give a place to it in their local budgets alongside the Cooperative Program. The state conventions, and the Southern Baptist Convention, each year adopt resolutions encouraging these gifts to be sent through our state offices, marked "for the American Bible Society". Our Methodist brethren passed us last year for the first time with $151, 934 to our $151, 626, about $300 difference.

All or parts of the Bible have been published in 1165 languages or dialects.

Of special interest is the work of getting God's word to the blind. For the past 126 years the Bible Society has distributed the Scriptures in many languages, for the blind, some of whom read with their finger tips, while others of them listen to the Talking Book records.

For these "Scriptures for the Blind" a separate fund is maintained so that money may be given directly for this purpose by those whose hearts it touches. Every $5 of this fund gives a blind person a volume of Scriptures in Braille, or five Talking Book Scripture Records.

Total distribution last year of all Scriptures by the American Bible Society was 23 million volumes, as compared with 17 million the year before. This is to say that Scriptures went out from the Society last year, day and night, at the average rate of 2, 600 volumes every hour of the year, at a cost of $500 an hour. Surely it behooves us, among the fifty denominations which support this basic service, to do our part in its glorious continuance.

WISTAR HAMILTON, COMMITTEE

SUNDAY SCHOOL REPORT

Dr. J. N. Barnette says in his Associational Sunday School Work "One of the major tasks of Southern Baptists is to teach the whole Bible to every available individual". Dr. J. M. Frost says "The work of the Sunday School is threefold: First, teach the Scriptures; second, teach the Scriptures; third, teach the Scriptures". Dr. Barnette reminds us that "Sunday school workers should bear in mind that if the majority of people are not taught the Bible in the Sunday school, the chances are they will not be taught the Bible at all".

In our Association, the complete record shows that we had a net loss in Sunday school enrollment in the year just closed. Thirteen churches report gains in enrollment and 17 report losses. If we are to fulfill our mission, "reaching the unreached" becomes an imperative. The question is how shall we reach them? It has been proven that we cannot effectively reach and keep more than ten members to each worker and the average is nearer 7 to 1. With the goal of having better Sunday schools in order to reach and teach more people two planning meetings were offered--Sept. 8 and Oct. 17. Less than half dozen churches were represented in these meetings.

It is a pleasure to report that under the leadership of Mrs. J. E. Sykes with the co-operation of Mrs. Myra Motley and Dr. Herman Ihley we had a most successful Vacation Bible School Clinic.

As we look ahead let us follow the example of the Apostle Paul--"Forgetting those things which are behind". Plan now for Bible Study Week IN EVERY CHURCH and at least ONE TRAINING CLASS IN EVERY CHURCH. Keeping the following dates clear: April 12. Vacation Bible School Clinic. Sunday School Planning

Meeting September 6. These dates have been confirmed in our State Office. Hour and place will be given later.

ATLANTIC BAPTIST ASSOCIATION TRAINING UNION REPORT 1961

Coming to the close of this year we look back over the past twelve months and once again think of our theme for the year, "BE THOU FAITHFUL", and ask ourselves just how faithful we have been. According to the state records we show a loss of members in our Training Unions. This is of great concern to us for we must train if we are to have the leaders which are needed for our churches future. However we have been encouraged over the seemingly renewed interest just recently. We have reports of some new unions being organized in some of the churches which have not had them previously and of increased enrollment in some other churches. Keep up the good work and God will richly bless you and your churches.

We had eighteen Juniors elligible for the Regional eliminations in the Memory Work; Mickey Bertram, First, Beaufort, eligible for the Sword Drill; Mrs. Linda Vandiford, National Avenue, New Bern, for the Y. P. Speakers; and Mrs. George Lee, Parkview, Morehead, for the Adult Scripture Reading. We were very proud of all these participants.

Our theme for the new year is "LENGTHEN...AND STRENGTHEN". We are to strive to Lengthen, broaden, and deepen concepts and purposes of the Training Union in developing Christians and in building churches. And we are to strengthen the work of New Testament churches by helping to organize new Training Unions in our association. So let us pray and work that every Church in our Association will be Lengthened and Strengthened for our Lord.

Trainingly yours,
H. B. Gray, Jr.
Associational T. U. Director

BROTHERHOOD REPORT FOR 1961

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

This year we had our first Associational Brotherhood meeting in Morehead City. The theme was World Missions and we had as our speaker Dr. Faile a missionary Doctor of the Southern Baptist Convention to Africa. Dr. Faile brought us a very challenging and informational message on the needs of the World for the Gospel and Christian love in action. After his message we were shown slides of his work in Africa which were most informative.

In January 1961 the First Baptist Church of Beaufort sponsored an Associational RA Clinic. Rev. Bill Jackson, State RA Director, was the instructor for this Clinic.

The Clinic was well atetnded and we received instructions that would greatly improve our RA work when put into practice.

In February 1961 the Newport Baptist Church sponsored an Associational Study Course on the Church Brotherhood Guidebook by Dr. George Schroeder. Rev. Clyde Davis, State Brotherhood Secretary, assisted in the teaching of this book to the more than 40 men who attended the Study Course.

In August 1961 we had an Associational Brotherhood meeting in the new sanctuary of the Cherry Point Baptist Church. The theme of this meeting was on Stewardship and a very inspiring message for the occasion was delivered by Rev. Clyde Davis, State Brotherhood Secretary.

The President wishes to thank Mr. Dee Solomon of the Swansboro Baptist Church for his most inspiring vocal selections and piano renditions at the Brotherhood meetings.

In the year that is before us I would like to direct your attention to the two areas where the men of our Association should direct their attention and efforts this year.

(1) Prov. 22:6 says "Train up a child in the way he should go; and when he is old he will not depart from it". The RA program offers the men of the Church an opportunity to train up the boys in the way they should go and we need more men to respond to this challenge. The boys that we neglect today may never be reached for Christ as men.

(2) 2 Cor. 5:19 (God) "hath committed unto us the word of reconciliation". The need of the world today is for men who are proficient enough in Gods word to convey its meaning to whose who know it not. The Brotherhood Commission has made available a book entitled "Effective Christian Witness" by Nelson Tull, Arkansas Brotherhood Secretary, which will teach a man how he can use Gods word to lead the lost to a saving knowledge of Jesus Christ. I challenge every Church in this Association to offer a course of study of this book to their men that the Kingdoms work may grow in our area.

Did you know that seventy-five percent of the men on our church rolls are still inactive? The greatest challenge we have as individuals, as churches, as an association is seeking to enlist these men into fruitful service for our Lord and Saviour Jesus Christ. Let our prayer be that through faith and work we may not fail Him, who gave His all for us, in meeting this challenge.

In His service,
Paul Drake
President

WOMAN'S MISSIONARY UNION REPORT

The purpose of Woman's Missionary Union remains the same: To promote Christian Missions through the organizations of Woman's Missionary Union in the churches of the Southern Baptist Convention. The Baptist Jubilee Advance emphasis for the year was; Sharing Possessions, a year of Prayer. Our watchword, "For the Love of Christ Constraineth us", helped to vivify; The origin of Love - God. The medium of Love - Christ - The Power of Love. Our hymn "Christ for the Whole Wide World", brought the realization that the world begins where you are. If we each one carried the message of Christ, our problems relative to winning the lost would be solved.

Our statistical report is not as good as last year. Why this downward trend? I feel that it results from unions and societies not reporting. In mission study, we

report 142 books taught, with 720 reading a book. New Bern First reports every W. M. S. member reading a book. Eight unions reported all organizations observing the three seasons of Prayer. 21 of the 23 reporting participated in Community Missions. 767 W.M.S. members out of 993 reported, giving through the Cooperative Program. This is the bright area of this report. I pray another year will see this reported as being 100%--Plus every W. M. S. member a Tither.

Respectfully submitted,
Mrs. E. L. Davis, President

REPORT ON STEWARDSHIP

For the purpose of submitting this report we shall not follow the customary procedure of dealing with the total of contributions as made by churches and reported to this session. We prefer that each messenger await the receipt of their copy of the minutes and refer to the statistical tables and observe the itemized and sum total of contributions shown there using those as a basis for their analysis thereof as relates to the subject of Stewardship.

On the basis of past reports it is admittedly true that we have fallen far short of a commendable position in this matter of our responsibility toward God and his cause in the support of His program. We need not deplore this unless we set ourselves to the task of finding and invoking the remedy. What that remedy is we cannot presume to say. We can only advance a thought based upon years of observation and consideration.

We have allowed ourselves to hear good reports on this timely subject read during our annual sessions, adopting same and taking little or no action toward any improvement. We most certainly cannot remedy our attitude of seeming indifference unless a course is decided upon and followed through to an objective conclusion.

Based, further, upon our observation we conclude that there should be a common level between leaders and laity in this matter. The approach would be from the leadership level to the laity level. That is to say if we expect to arrive at a workable plan for a Stewardship program the people in the pew must be instructed or trained in Stewardship until they understand and accept its significance thus elevating them to the higher level.

It is our hope that the messengers here assembled, representing in a large way the leadership of our Association, will follow through on this or some better idea making their plan for development and furtherance thereof. Our leaders should inaugurate some such program that they can take to their people and consistently work with and begin in their churches to carry out the agreed plan.

R. N. Scott

CHRISTIAN EDUCATION

The work of our Lord demands a trained leadership. If our churches and denomination are to grow in efficiency and usefulness the people must be informed and alert in the principles of our faith. Such necessities make Christian Education an imperative.

It is not now a question of whether Baptists can afford the expense of operating seven colleges and ministering to the spiritual needs of our youth on other campuses, rather we need to ask: Could we ever pay the future high price of neglecting to provide needed facilities and a Christian atmosphere in which tomorrow's leaders can be trained? In a generation that battles for the minds of men we must provide education of such quality and character as to equip our youth with those spiritual weapons necessary to combat the enemies to our great faith.

Let us here go on record as being strongly in favor of the action of the Baptist State Convention in Greensboro, May 4, 1961, which called for our colleges "to give more attention to Christian Education of such quality as to strengthen the work of our churches, institutions, and our Baptist witness around the world."

Let us also go on record as being equally strong in assuring our colleges that we shall stand by them in such a high mission by urging the churches of the Atlantic Association to increase their support with a 35% increase through Cooperative Program gifts during the years 1962-1963-1964.

Respectfully submitted,

Fred A. Mauney, Chairman

COOPERATIVE PROGRAM REPORT

The Cooperative Program is the love of God in action; the hands of Christ at work.

The world needs Christ and our gifts through the Cooperative Program not only reinforce all Convention-wide causes, but also extend the gospel around the world.

With gifts through the Cooperative Program each individual and church can share in this state and world-wide mission program.

Each individual and church was encouraged to include in its 1962 budget an increase over last year of 2 per cent to the Cooperative Program. The Jubilee Advance goal, adopted by the Southern Baptist Convention in 1957 calls for a 2 per cent increase in Cooperative Program gifts annually through 1964.

This year Christian Education Advance through cooperative giving has been among the many various works promoted.

Although we lost 12 churches in our Association during 1960-61, we gave $45,085.03 to the Cooperative Program. Incomplete.

It is the conviction of many that the Cooperative Program of Southern Baptists is the fundamental, effective and indispensable channel of providing for the needs of all our work, and we are all urged to join in giving the Cooperative Program our loyal support. Let us strive to be faithful through our Cooperative World Mission Program.

Respectfully submitted,
Mrs. Lewis Hinson

REPORT ON OBITUARIES

Death is no respecter of person, and is abroad in the land. It is appointed unto man once to die; sin is the cause of death, therefore all must die.

There should be no terrors for the child of God in death, for the Word of God declares, "Precious in the sight of the Lord is the death of His saints". May we have the faith to look upon death as the one who said, "For me to die is gain".

And again, we do not know what we shall be, but we know that when He shall appear, we shall be like Him for we shall see Him as He is.

Since our last association meeting many have gone to be with Him, and to enter into rest and bliss to be forever with our Blessed Christ Jesus. The following persons from the reporting churches have deceased this past year.

CONSTITUTION AND BY-LAWS

of

ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

We, the members of Missionary Baptist Churches in the County(ies) of Beaufort, Carteret, Craven, Jones, Pamlico, Onslow State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

Article I NAME

The name of this body shall be the "Atlantic Baptist Association."

Article II PURPOSE

It shall be the purpose of the Association to co-operate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad,

and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

Article III MEMBERSHIP

SECTION 1: The Association shall be composed of co-operating Baptist Churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of co-operation and supports the objects of this Association.

SECTION 2: The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4: Any church may be granted a letter of dismissal to unite with another association by presenting a written request of same at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

Article IV MEETINGS

SECTION 1: The Association shall meet annually on Thursday and Friday after the fourth Sunday in October.

SECTION 2: Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.

SECTION 3: Each church shall elect annually one(1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) or more than ten (10) messengers. (In addition to these, pastors of member churches shall serve as messengers.) These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall include only those attending and registering at the Association.

Article V AUTHORITY

It is understood that each church in this Association is independent and sovereign in its own affairs, and this Association has no authority over the churches, except in an advisory nature.

Article VI OFFICERS AND THEIR ELECTION

SECTION 1: The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Auditor, Historian, Associational Music Director, Associational Sunday School Superintendent, Associational Training Union Director, Associational Woman's Missionary Union President, Associational Brotherhood President, and

Parliamentarian.

SECTION 2: The officers shall be elected on the last day of the annual meeting for a term of one (1) year each. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law IV, Section 6). Nominations by the Nominating Committee shall not preclude nominations from the floor.

SECTION 3: All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing associational year.

SECTION 4: Any person having served two full terms as Moderator shall be ineligible for re-election for a period of one year.

Article VII TRUSTEES AND THEIR ELECTION

There shall be three (3) trustees of the Association, one(1) preferably a lawyer, serving terms of three years each on a rotating basis. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting, no trustee being eligible to succeed himself until after the lapse of one year. The expiration date of each trustee's term of office shall appear by his name in the Associational Minutes.

Article VIII THE EXECUTIVE COMMITTEE

Executive Committee Report

As we look back over the past twelve months in retrospect there are experiences which we regret to report and others which we are happy to report.

As we held our first Executive Committee meeting on November 20, 1961, the usual sub-committees were organized. Beginning with this first meeting and continuing throughout the year there was the constant reminder that we must proceed to function with a very inadequate constitution. We hope that this problem will be solved at this annual session.

As in previous years, our association has suffered due to a loss of leaders. By the middle of the year we lost our able moderator, Brother M. O. Sears, who felt led to move to another pastorate. Thus, it wasn't until May 21, 1962, that I, as vice-moderator, was honored by being selected to serve as your new moderator. Brother M. H. Bland was selected as the new vice-moderator.

Several of our associational organizations have suffered terribly this year due to a lack of supervision and workers. This is especially true of the Sunday School, Training Union, and Brotherhood work.

In spite of our problems, a number of associational activities were held this

year as follows:

--"M" Night, December 4, 1961, Morehead First, the Reverend Billy Mobley, speaker.

--Evangelism Clinic, February 16, 1962, Morehead First.

--Evangelistic Rally, March 16, Cherry Point, the Reverend J. W. Long, speaker.

--Simultaneous Evangelistic Crusade, March 25-April 8, 1962.

--Vacation Bible School Clinic, Beaufort First.

--Brotherhood Service, July, 1962, Newport, testimonies by George Burnham and Billy Mobley.

--Associational Leadership Training-Planning Clinic, September 6, 1962, Havelock First.

--Continued to study, pray for, and help in the support of the work of Huggins Memorial Chapel at Harkers Island.

The greatest single factor that seems to haunt us on every hand is the lack of an associational missionary to lead us. We can have optimism for a promising future, if we are determined to seek this much needed leadership. We are capable of supporting a strong associational program. Let no one mislead us at this point. However, it must develop as the people see the need and are willing to participate and work to assure its success under the guidance of the Holy Spirit. And, as is often the case, we pastors must take the initiative.

Over the past several years there appears to have been an ever increasing spiritual slump in our association. I believe it is time to reverse the trend. We must now begin to renew our allegiance to God and experience revival.

I wish to leave with you this passage of scripture as found in Hebrews 12:12-17:

"Therefore lift your drooping hands and strengthen your weak knees, and make straight paths for your feet, so that what is lame may not be put out of joint but rather be healed. Strive for peace with all men, and for the holiness without which no one will see the Lord. See to it that no one fail to obtain the grace of God; that no 'root of bitterness' spring up and cause trouble, and by it the many become defiled; that no one be immoral or irreligious like Esau, who sold his birthright for a single meal. For you know that afterward, when he desired to inherit the blessing, he was rejected, for he found no chance to repent, though he sought it with tears." (RSV)

May God bless us as we strive to work together in a cooperative fellowship.

Respectfully submitted
Corbin Cooper, Moderator

AMERICAN BIBLE SOCIETY

Southern Baptists share with other denominations in appreciation of the service of the American Bible Society, in its distribution of over 24 million Bibles, Testaments, and portions throughout the world last year. Some portions of the Bible have now been published in 1181 languages and dialects.

The support of this ministry comes from the churches which add an annual gift for it to the local church budget, and send it through the Convention treasury over and above the Cooperative Program. These gifts last year (1961) amounted to $164,342 from our Southern Baptist churches, with our Methodist brethren a close second with $163,593. Gifts from all churches in the U. S. A. totaled $1,065,649.

Our Baptist State Convention of North Carolina "earnestly requests our churches and our people to make contributions to the work of the Society, all such contributions to be sent through the regular channels to the Baptist State office, marked 'for the American Bible Society.' "

"People in mission lands around the world-and the missionaries who serve them- look to Southern Baptist churches for continued and increased support for providing the Word of God for every man in his own language." (quoted from the 1962 S. B. C. Annual.)

REPORT ON CHRISTIAN LITERATURE

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4¢ a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or $2.50 a year.

I wish to highly recommend to every home and individual the use of the following for your daily reading: The Bible as our text book; the Biblical Recorder; Charity and Children; the Commission; Home Missions; Royal Service, The Window of Y. W. A.; Open Window; Home Life Magazine; and Ambassador Life.

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his Gift at work.

(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in some amount in

the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

Respectfully submitted,

REPORT TO THE ATLANTIC ASSOCIATION FOR THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who will shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best possible solution. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these--leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian Home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible--especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and indi-

vidual subscribers throughout the state and beyond. You are invited to be among these readers, and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Baptist Hospital and the Bowman Gray School of Medicine form the Medical Center of all North Carolina Baptists.

The medical staff of the Hospital is the faculty of the School of Medicine and the Hospital is the teaching institution for the Medical School.

Since it was established in 1923, Baptist Hospital has operated for three purposes--to preach, to teach, and to heal.

Twenty-four hours a day, every day in the year, it works--preaching, teaching, and healing--and grows in service to meet the increasing need.

With a staff of 1,200 persons, it conducts the vast business of a large modern hospital.

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

Through a Department of Pastoral Care, the mission of preaching is conducted within the Hospital, throughout the state, and often in other parts of the country and the world.

In the hospital itself, chaplains are always on call. They visit every patient. They comfort, they counsel, and they pray. In 1961, they made 82,502 calls on patients and had 5,286 counseling visits. In both, a new high was reached.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The Hospital is a highly efficient institution for healing the sick, serving them with skill and understanding.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for exami-

nations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. WE MUST REMEMBER THAT THE HELP GIVEN IS LIMITED BY THE MOTHER'S DAY GIFTS OF OUR CHURCHES.

I am sorry to report that the churches in the association, as a whole, gave less money through the Mother's Day offering this year than last.

We Baptists have in our Hospital at Winston-Salem a great missionary enterprise dedicated to the service of our fellowmen.

Each year as we prepare for the Mother's Day Offering, which provides for the care of the needy sick at the Hospital, we find that new records have been made both in the volume and the quality of service given.

Hospital Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes-Resthaven and the Hayes Home in Winston-Salem, the Albemarle Home at Albemarle, the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,
Corbin Cooper

ANNUAL ASSOCIATIONAL EVANGELISM REPORT, 1962 ATLANTIC BAPTIST ASSOCIATION

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

IMPORTANT MEETINGS AND PROGRAMS:

Our associational clinic on evangelism will be held February 26 at Beaufort, First Baptist Church. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" - pastor's edition - (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

February 11-13, 1963, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

March and April - Baptist Jubilee Revival Crusades. The date for the Baptist Revival in our Association is March 17 - 31, 1963.

July 2-4, 1963 Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March and April, 1964 World-wide Baptist Jubilee Revival. The date for our association in March 8 - 22, 1964.

All things point up the need for full committal to Christ in His redemptive purpose NOW.....Nothing less than this will be enough. In fact nothing less than this has ever been enough.

BROTHERHOOD REPORT FOR 1962

The Associational Brotherhood Department is a promotional and layman development organization and is made up of laymen and pastors from the churches which comprise the association. The sole purpose of the associational Brotherhood is to serve the churches, the association and the denomination in the causes of Jesus

Christ.

It seeks to give aid in organizing Brotherhoods and Royal Ambassador chapters in all the churches and in strengthening existing work. It is through the associational Brotherhood that the masses of men and boys of the churches are reached with regular promotional and development plans, informative messages, and leadership and service training opportunities.

Experience has shown that where there is a fully organized, well-trained, enthusiastic, and aggressive associational Brotherhood organization, these attributes are found:

(1) Church Brotherhoods and Royal Ambassador chapters are transformed into active and aggressive organizations, putting more men and boys into service for Jesus Christ.

(2) More training opportunities are made available to the Brotherhood and Royal Ambassador leaders, thus preparing men and boys for a more effective and productive service for Jesus Christ.

(3) The fires of evangelism burn brighter in the hearts of men.

(4) More men and boys become actively interested in a program of world missions.

(5) Fellowship among the men and boys of the churches is enriched.

We need these attributes in our association, but this year we were without them because shortly after being elected the President became seriously ill and no one took it to heart to assume the leadership responsibilities. There was one associational meeting for men held at the Newport Baptist Church and the response, which was the best in the last four years, indicated the hunger of the men for such services. Let our prayer for 1963 be the words of the song writer "Rise up, O men of God! The church for you doth wait, Her strength unequal to her task; Rise up, and make her great!"

Respectly submitted
Paul Drake

WOMAN'S MISSIONARY UNION REPORT

"That thy way may be known upon the earth, thy saving health among all nations." This, our watchword, was an incentive for work and prayer through the year. The Cherry Point W. M. U. has helped in the witnessing to Japanese wives, this has been outstanding, right here in our midst. Some of these girls have become Christians.

We have promoted five day Week of Prayer for Home and Foreign Missions. One Jubilee aim was a 10% increase in these offerings. There has been a slight increase in membership. The method of reporting is more concise. More churches have reported. Honor Organizations are Beaufort, Jr. G. A. and four Sunbeams; Morehead City, four G. A.'s; Parkview G. A.; New Bern First, W. M. S., two G. A.'s, one Sunbeam. Other churches had Advanced and Approved Organizations. We are following the State plan to recognize only the Honor Organizations. Not for recognition, but to have much better organizations. Will each W. M. U. President encourage an honor goal for the New Year!

Through loyalty and cooperation this can be done, if every member takes missions seriously. When we have done, "unto one of the least of these, we have done unto our Lord and Saviour Jesus Christ."

Respectfully submitted,
Mrs. E. L. Davis

MISSIONS COMMITTEE REPORT

1962

The primary objective of this committee has been to secure an Associational Missionary. This task has not been an easy one. Your committee has met periodically during the year to study ways and means of obtaining this objective. We have been in close contact with Dr. E. L. Spivey, Secretary of Missions for the Baptist State Convention, seeking his wisdom and guidance.

We wish we could say today that we have a man for your consideration, but such is not the case. In spite of some drastic changes within the committee during the year, we are happy to report to you that we are presently exchanging information with a prospective missionary. It is our keen hope that we may have a missionary by the first of January 1963.

Therefore, we recommend the following:

1-That we again emphasize the recommendations of last year's report: That a Missionary be secured as soon as possible; and that all our churches put the association in their budget on the basis of 2% on the budget dollar.

2-That the Association request the Baptist State Convention to assist us in the amount of $1,800 for support of the missionary. (Form of application attached)

3-Upon written application of the Battleground Park Baptist Church for membership in the Atlantic Baptist Association, we recommend their acceptance into full membership and extend a hearty welcome to all its members. (Letter attached)

CHRISTIAN EDUCATION

North Carolina Baptists long ago recognized the absolute necessity for Christian education. To meet the pressing need for Christian leadership in all areas of life, we have committed ourselves to sponsor and undergird a program that involves seven colleges, each one making a distinctive contribution to education and Christianity.

In an effort to give a more adequate support to the program the Baptist State Convention has set into motion the "Christian Education Advance Program" which urges all our churches to increase their Cooperative Program gifts at least 35% during the years of 1962, 1963, and 1964, with the understanding that all designated Cooperative Program money received above the Convention budget during these years be distributed on the basis of 85% to the colleges and 15% to Baptist Student Union.

Let us now go on record that we shall endeavor to implement the action of our convention by asking each of our churches to accept one of the four suggested goals.

1. That churches now giving monthly through the Cooperative Program strive to increase those gifts by 35% over the previous year.

2. That churches not able to meet the goal of 35% increase accept a goal of giving two more cents out of every collection plate dollar through the Cooperative Program.

3. That churches not now giving through the Cooperative Program, or if present gifts are less than ten cents out of each dollar contributed, strive immediately to start giving ten cents out of each dollar received into the treasury through the Cooperative Program.

4. That any church not willing to accept one of the above try to give an offering once each month through the Cooperative Program.

Let us here and now affirm that we shall unite our prayers and efforts behind the

Convention's program on Christian Education and have all of our churches support it with at least a monthly offering through the Cooperative Program.

Respectfully Submitted,
Fred A. Mauney

SUNDAY SCHOOL REPORT

In the midst of these days of crisis in our world the church of Jesus Christ finds itself in a peculiar situation. The peoples of the world need to hear a message that only the church can give. With our Association located in such a vital area in regards to the military installations of our country it lays a heavy responsibility upon us to reach the unreached. It is no secret that the Sunday School has proven to be the most effective organization in reaching the unreached for Christ. There are however some very sobering facts that we need to notice about the Sunday School of our Association. (1) As most of the other organizations have shown a decrease in enrollment so has the Sunday School. In 1961 we had an enrollment of 7,606 in Sunday School while in 1962 our enrollment decreased to 7,495 which is a total decrease of 111. (2) In the Bible Schools of our Association we also experienced a decrease in enrollment. Our enrollment in 1962 was 711 less than it was in 1961. (3) During the first six months of 1962 only twelve churches received any study course awards. This means that over half of our churches had no study courses at all during this important period.

There are some encouraging things to report for which we are grateful. We had one of the best Associational Vacation Bible School Clinics ever at Beaufort. There was a good attendance and a wonderful spirit. Also our churches average attendance in Sunday School was well over 60% of the enrollment which is a good average for any association.

In the coming year each of us needs to make it our business to improve the Sunday Schools in our Association. We can do this if we work together, but we must work together. One of our greatest needs lies in the area of improvement in methods. Most of our churches need to spend some time this year in study of basic Sunday School Methods. Therefore, we suggest that each church observe Preparation Week and January Bible Study and as many other books in the year as possible.

As we depend heavily on the leadership of Brother Benton, let us cooperate with him in our Sunday School work and seek sincerely the leadership of the Lord in these days of urgent need.

REPORT ON MEMORIALS

Since last we met many of our hearts have been saddened in the passing of loved ones and friends. Our greatest consolation is that they have gained, not lost, in the transaction of death, and that our loss has been heaven's gain. We have found everlasting comfort in our Lord, the victor over death and the grave, the "resurrection and the life." Herein can we find our only hope in the pain of death.

Death comes to all men, and the grim reaper comes to most men without warning. Therefore, it behooves each of us to be prepared and to possess the attitude of the Apostle Paul who wrote, "According to my earnest expectation and my hope, that in nothing I shall be ashamed, but that with all boldness, as always, so now also Christ shall be magnified in my body, whether it be by life, or by death; (Philippians 1:20).

EXECUTIVE COMMITTEE REPORT

A glance at the Executive Committee's report of one year ago reveals two things. First, there was a note of regret over several crippling vacancies that had occurred in places of leadership. Second, a note of optimism was sounded for the new year. At that time the following statement was made: "The greatest single factor that seems to haunt us on every hand is the lack of an associational missionary to lead us."

Today we are happy to report that our faith and optimism have proved to be worthwhile. Though we have fallen far short of our potential, the past year has

certainly produced an upward trend in the life of our association. Simply having a new and improved constitution to guide the organization was an encouraging factor.

Some of the associational activities that were held during this year were as follows:

--Training Union "M" Night, Newport Baptist, December 3, 1962.
--Training Union Leadership Course, Morehead First, January 14-17, 1963.
--Better Bible Teaching Clinic, New Bern First, Feb. 25-March 1, 1963.
--Associational Evangelism Clinic, Beaufort First, Feb. 26, 1963.
--Vacation Bible School Clinic, New Bern First, April 4, 1963.
--Stewardship Clinic, Newport Baptist, June 17-18, 1963.
--Sunday School "Action Night," Havelock First, September 11, 1963.

On September 16, 1963, your Executive Committee voted to accept a plot of land in the Cape Carterett area near Swansboro for the location of a future mission. The only condition was that a building be placed on the property within ten years.

The most far reaching action taken by your Executive Committee this year was the unanimous decision made on the night of January 28, 1963, "to call the Reverend Henry A. Privette as associational missionary" Brother Privette was at that time serving in his fifteenth year as pastor of the Southside Baptist Church of Concord, North Carolina.

The church he served for nearly 15 years wrote the following letter to this association:

Dear Sirs:

> It is with regret and grief in our hearts that our pastor, Reverend H.A. Privette, has resigned from our church, but it is also with great joy in our hearts that we as a church can recommend a man of God to you as your associational missionary, who is so well qualified for this phase of God's work.
>
> Nowhere in our state do we know of a man who has the leadership ability, the qualifications, wealth of experience, depth of understanding, maturity of Christian character, doctrines and teachings as Brother Privette.
>
> We feel the Atlantic Association is extremely fortunate indeed. May God lead, guide and direct in all your work there.
>
> Our prayers, interest and concerns are with your Association.
>
> Sincerely, Southside Baptist Church
> Concord, North Carolina

Our missionary has been with us only about six and one half months. Already he has begun a tremendous work in preaching, teaching, visiting, and promoting the kingdom's work. The success of his work will depend to a large extent upon how well our pastors and churches cooperate in the support of the associational program. Already a number of our churches have increased their participation. However, we have only begun a good work.

In Hebrews 12:15 the first part of the verse as translated in the New English Bible reads, "See to it that there is no one among you who forfeits the grace of God...." In commenting on this verse William Barclay says, "There is the danger of missing the grace of God." The early Greek commentator Theophylact interprets this in terms of a journey of a band of travellers. Every now and again they have to check up and ask: "Has anyone fallen out? Has anyone lingered by the wayside? Has anyone been left behind while the others have pressed on?" In Micah 4:6 there is a vivid text. Moffatt translates it: "I will collect the stragglers." It is easy to straggle away, to linger behind, to drift instead of to march, and so to miss the grace of God. There is no opportunity in this life which cannot be missed.

To apply this text to the churches of the Atlantic Baptist Association I would simply say that we have a tremendous opportunity now to be a part of a good thing. Our association is moving again--life is restored. Those who would linger behind and drift need to catch a vision of the possibilities before us. This annual session will not be held in vain if we can let God kindle a new fire in our souls and return to our churches more determined to participate in this fresh revival experience. As we do let us remember the words of a favorite hymn that are fitting here:

"Thro' many dangers, toils, and snares,
We have already come.
'Tis grace hath bro't us safe thus far,
And grace will lead us home."

THE MISSIONS COMMITTEE REPORT FOR 1963

It is with a happy heart that the Missions Committee can report that we now have a Missionary living on the field. His residence is at Beaufort on Highway 101. His office is in a building behind the Morehead City Baptist Church. We hope soon that he will be able to move nearer the center of the Association. We are pleased that a contract of agreement has been worked out between the Missionary and the Association. We are delighted with the way he has been received. We hope that this kind of fellowship will continue, and he will be of a great service to our people and to God.

We recommend:

(1) That the churches continue to give 2% of their budgets, and more, to the Association.

(2) That we request the State Convention to give $1800.00 to aid in Associational Missions.

(3) That the Association approve the contract between the Missionary and the Association, (with the one correction under Rom. Num. I, Section B., Item 3; The second sentence be deleted, and this sentence inserted in its place: "This provides for his participation in any Southern Baptist Retirement Plan.") and that this contract be printed in the Associational Minutes.

May the Lord bless our work, and help our people to develop and train for His service and may many more Missions be started.

Sincerely, Missions Committee
Joe D. Everett, Chairman

REPORT OF ASSOCIATIONAL MISSIONARY TO ATLANTIC BAPTIST ASSOCIATION OCTOBER 31, 1963

I came as your associational missionary on April 15, 1963. Previous arrangements had been made with the missions committee to return to Concord to participate in the Graduation exercises of The Hartsell High School from which a son was graduating. One week vacation was taken, one week was spent in the hospital and one week was given to a revival out of the state. Most of the time in these five and one-half months was spent in getting acquainted with the association by visiting the churches and participating when invited to do so. This time was well spent in

the matter of public relations. In doing this work eleven hundred hours of working time was spent and 9,079 miles were driven doing it. One hundred and seventy-two meetings of all types were attended and forty six sermons or addresses were delivered. Three study courses were taught and one revival conducted. Ten hours and fifteen minutes flying time was logged which amounted to approximately eight hundred miles. Thirty four visits were made to churches in the association and 3,903 pieces of mail were sent out in doing the work.

BROTHERHOOD REPORT FOR 1963

The main purpose of the Associational Brotherhood is to serve the churches and their Brotherhoods in the cause of Jesus Christ.

Brotherhood leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. A definite program of missionary education for men and boys is underway in the associational and church brotherhoods. Already, some are engaged in practical missionary activities. These activities involve the enlistment of men and boys already on the church roll, in witnessing to the lost, and giving of their time, talent, and possessions through the church. Activities are a necessary part of the missionary education program for men because men learn more about missions when they are involved in missions. In other words, we learn by doing.

In July, 1964, laymen from North Carolina will have opportunity to participate in Baptist Missions in North Dakota, Washington, Oregon, and California. They will join with 1,500 Baptist laymen from all states of the Southern Baptist Convention for the great West Coast Laymen's Crusade.

There will be hope for world evangelization as long as there are men and boys

in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in world missions. Through the Royal Ambassador program men can provide missionary education for boys. From this host of boys which are in our churches today, will come the men missionaries of tomorrow. From those boys are our future leaders, preachers, teachers, deacons and Christian Witnesses. If we fail at this point of providing for the boys now, the future struggle for world evangelization is already lost.

We need the co-operation of every pastor and Christian in our Association. This year we have accomplished very little as to what could have been done with the proper co-operation. We have several Brotherhoods that have done a good job in developing the skill in their churches in Christian witnessing missions and working with the Royal Ambassadors. God's business needs skilled workmen and the Brotherhood is a good place to train them for the job God wants them to do. May we covet your prayers for the on going of God's business through our Brotherhoods.

G. R. Burnham, President

WOMAN'S MISSIONARY UNION REPORT

The 75th Anniversary of Woman's Missionary Union is gone. In this year there were anniversary goals for each organization in the Union. Of the six goals for the Association, three were met. We had a Prayer Retreat at Tabernacle Church, New Bern that was a real Spiritual Blessing to all. The Associational Meeting was held at Cherry Point Church. The 75th Anniversary was observed by the giving of a skit, "Yesterday's Woman." Girl's Auxiliary observed their 50th Anniversary this year. This also was observed by a skit in rhyme, "Yesterday and Today." These were both well given and impressive. At this meeting our missionary speaker was, Miss Anna Mae Lacklear of Pembroke, N.C. She is Associational W.M.U. President of the Burnt Swamp Association. A teacher in the public school and does much personal work among her own people the Indians. She presented the needs of Home Missions in a vivid manner.

In August we had a "Golden Banquet" for Girl's Auxiliary, with over 300 girls, directors and counselors present. This was truly a highlight of the year. This year we have ten honor Girl's Auxiliaries. Atlantic, Junior; New Bern First, Junior and Intermediate; Newport, Intermediate; Parkview, two Junior and Intermediate; Tabernacle, Junior and Intermediate, Trent Court Mission, Junior. Sunbeam Organizations that were honor are: Bayboro Beginners and Primary; Beaufort, Nursery, Beginner, Primary, World Friends; Havelock First, World Friends; New Bern First, Beginner. We are grateful for the counselors of each of these and recognize their work in accomplishing the reaching of these goals.

This past year has been one of important emphasis because of the Anniversaries and the Baptist Jubilee Advance. This emphasis has brought a deeper concern for the World Mission task. So that in the years to come we shall see more prayer, more giving and more encouraging of our young people to forward the Kingdom's work around the world. "We do have a story to Tell," that the world through him might be saved.

Respectfully submitted,
Mrs. E. L. Davis

AMERICAN BIBLE SOCIETY

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world - a task which calls for the widest possible distribution of the Scriptures.

PEOPLE MUST HAVE THE BIBLE because it presents Jesus Christ, the one hope of men and nations.

EACH PERSON MUST HAVE THE BIBLE IN HIS OWN LANGUAGE because it speaks to his heart as no other language can speak.

In most countries, people CANNOT AFFORD EVEN THE COST OF PRINTING the Scriptures. The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave - and keep on speaking to a person's heart.

The American Bible Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

DURING 1962 the American Bible Society -

rejoiced that some part of the Bible has been published in 1202 languages; the full Bible in 228, a Testament in 285 more, a Gospel or other complete book in 689 more - but still faced the task of translating the Scriptures into another 1,000 or more languages.

extended its work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world. Especially encouraging was its overseas distribution of almost 17 million volumes, which was a remarkable increase of 49 per cent over the year before.

gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Bible Society serves mission work - and Southern Baptist missionaries depend on the Society for Scriptures they need for their people - Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

Two years, 1958 and 1961, Southern Baptists led all denominations in gifts to the American Bible Society. But in 1962 Southern Baptist gifts of $158,206 stood second, exceeded by Methodist gifts of $206,580. Gifts from all churches in the U.S.A. totaled $1,191,233.

CHRISTIAN EDUCATION

North Carolina Baptists, through three Junior and four Senior Colleges, are now providing opportunity of Christian Higher Education for 10,000 students.

In facing the future challenge of Christian education we will do well to remember the vital role Christian colleges play in providing leadership for all facets of denominational life. Last year, according to the Foreign Mission Board, there were almost 200 graduates of our seven colleges serving around the world as they preached the gospel in many lands and in "other" tongues. Were it not for the college contribution to the spiritual and mental development of those called to preach, most of the Baptist pulpits would be silent next Sunday. Though it is to be regretted that some graduates fail the local church in its need of leadership, we must remember the large number of dedicated deacons, teachers, and leaders who are glowing examples of what a Christian College can do for the local congregation.

The trend of our time, the continued increased enrollment, the demand for Baptist professors in each college, and the high scholastic requirements for accreditation, make it imperative that efforts be united toward planning for a graduate studies program. Perhaps the wisest procedure would be to follow the suggestion

of the Convention Committee on Advance Program for Colleges and agree upon a course of action which will enable Wake Forest College to attain University status.

Keenly aware of the decline in the number of young people answering the call to full time service, the local churches should join the proposed effort of the colleges in using 1964 to "call out the called" and continue their support of Christian Education with increased gifts through the Cooperative Program.

SUNDAY SCHOOL REPORT

On February 28th of this year, there was an associational Sunday School meeting for all departments in the Sunday School. This meeting was held with Cherry Point church. There were 8 churches represented with 36 people present. The Standard of Excellence was studied with emphasis on its use as a guide in the Sunday Schools.

On September 3rd was Preparation Night. At this meeting some goals were set for the year 1963-64. First - urge every pastor to observe the January Bible Study Week. Also make this a church-wide Bible Study using the department books listed in the Sunday School recommended books.

The second goal, that each church will prepare for, and participate in, the Christian Witness Campaign preceding the Jubilee Revivals.

A third goal, that the association reach at least five Standard Sunday Schools this year, with a Vacation Bible School in each church.

The association held its first ACTION NIGHT on Tuesday September 10, with the First Baptist Church, Havelock. There were 14 churches represented with 10 pastors, and 11 Sunday School Superintendents. Dr. Herman Ihley, State Sunday School Secretary, brought the main message.

The total enrolment in the S.S. decreased again this year, not 111, but 480, the average attendance decreased 299.

Twenty-seven churches held Vacation Bible Schools, a gain of two over last year. Total V.B.S. Attendance 3,198, a gain of 336 over last year, average attendance 1,279, with missions offering of $834.75.

We congratulate Mrs. Charles W. McEnall for her good work done in Vacation Bible Schools.

Respectfully submitted,
A. L. Benton, Assnl. S. S. Supt.

EVANGELISM REPORT

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptism 297, By letter 334, Total 631.

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and, earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

CHRISTIAN LITERATURE REPORT

The printed page is more powerful than bombs and bullets to conquer the minds and hearts of men. Never before has so much reading matter been before the eyes of the people as today. One glimpse of the average news stand is enough to convince any sane Christian that we need more Christian literature in our homes to supplant the smutty, filthy literature that millions of Americans are reading monthly.

"The promotion of missions, education, social service and the distribution of sound religious literature," was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. In 1833 the Biblical Recorder was founded to help carry out these noble aims of our Baptist forefathers. Since that time, the Biblical Recorder has carried in its pages the Baptist message in North Carolina. It ought to be in every Baptist home in our State. No Baptist mailbox is beyond the reach of the state Baptist paper each week, for every copy is mailed direct to each subscriber in every case.

May we put God and His Word first and then read other Religious Literature. There is none better than that which flows from our Baptist presses. The Biblical Recorder; Charity and Children; the Commission; Home Missions; Royal service, The Window of Y.W.A.; World Comrades; Open window; Home Life Magazine; and Ambassador.

We urge all those who constitute the body of our association to include in their homes and libraries that literature which elevates to higher Christian living and remove all literature which would demoralize and promote a lower moral standard of living.

Report to the Atlantic Association

BAPTIST CHILDREN'S HOMES 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance--the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing, and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to effectively work with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided for a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

CHARITY AND CHILDREN, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of CHARITY AND CHILDREN can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Mrs. George H. McNeill

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes - the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today, there are 160 people waiting for admission, from all areas of our great State, and it is a heartbreaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $8.58 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Corbin Cooper

A BRIEF HISTORICAL SKETCH OF ACTIVITIES OF ATLANTIC BAPTIST ASSOCIATION FOR THE ASSOCIATIONAL YEAR 1963

The 1963 Associational Year came to a close amid the most optimistic feeling we have had for many years. Instead of the usual feeling of defeatism, in the face of much spiritual destitution throughout our territory, signs of new life are appearing here and there. The pastors, while still struggling against too much apathy and unconcern among the membership of some of the churches, are closely bound together in a harmony of vision and effort that really seems strange in our association.

Most of the churches seem to have caught the same spirit. This new faith and determination on the part of pastors and churches surely augurs a bold step forward for the Kingdom of God. Too long we have said or felt "What's the use, it can't be done." In many of the churches Sunday school workers and other lay members are saying that the time has come to go forward and are proving their sincerity in personal work and gifts for the Cause of Christ.

One of the most important actions this year was the calling of an Associational Missionary. On January 28th, the Executive Committee extended a call to Rev. H. A.

Privette. This call was accepted and on April 15th he began his work. Almost immediately he realized that the task was too much for any one man to do alone. However, by contacting some of the leading churches, he found a spirit of interest and co-operation and threw himself with energy and self sacrifice into the work. His experience as pastor and associational work in another association has prepared him well for what we believe will be more satisfactory progress in the Association.

Although cards were sent to the clerk of each church in the association, requesting information concerning individual churches of historical interest, very few replies have been received. Replies received are noted below: Battle Ground Park: New pastor - Rev. Tom Jones; new deacons ordained; bought parsonage; history written.

Beaufort: Held two good revival meetings; Conducted a two week's Daily Vacation Bible School; Had one of the best years of its history with all departments working in good spirit and vision; all signs point toward even better accomplishments in 1964.

Cherry Point: New pastor - Rev. H. Ellis Lanier.

Maysville, First: New pastor - Rev. M. E. Gibson.

New Bern Tabernacle: Paid off indebtedness on Educational Building;opened and dedicated new parsonage; Lottie Moon offering amounted to $1056.26; organized new Sunday School department; increased offerings for Co-operative Program.

Newport: New pastor - Rev. E. T. Vinson.

Piney Grove: New pastor - Rev. Paul C. Willis; enrolled in Church Development Department of N. C. Baptist Church Achievement Program; considerable improvement to church grounds; held Loyalty Dinner August 28, 1963.

Pollocksville: In an impressive service, held Sept. 15, 1963, layed corner stone and dedicated new church building. Rev. Charles W. Midkiff preached Dedicatory sermon.

Spring Garden: Entertained Atlantic Baptist Association in annual session Nov. 2, 1962; pastor resigned in June, but is still serving the church.

Swansboro: Built new parsonage valued at $27,000.00.

Trenton: Held revival meeting in March, 1963; conducted a two week's Daily Vacation Bible School.

MEMORIAL SERVICE
ATLANTIC BAPTIST ASSOCIATION, NEW BERN, N.C. NOVEMBER 1, 1963

In the passed year we have lost 55 members by death from the Churches of the Atlantic Baptist Association. As Christians, we do not believe that death means annihilation, nor does it mean the total loss of the life and labors of our fellow Christians, who have fallen on sleep. Their work of love will remain and be emulated and repeated through the years to come.

We believe their spirits have entered Paradise awaiting the Resurrection of the body and the glorious reunion of all Christians at the rapturous return of our Lord.

God is no respector of persons. Because of position or title one may be no more important than another. The most humble Christian in the smallest Church is as important in the sight of God as is the smallest cog in the finest watch.

Outstanding Ministers in Church History can only be praised more because their work is known better.

Rev. Laurie Jasper Atkinson can thus be justly memorialized. With humble beginnings like so many Ministers and with humble preparation he had a glorious ministry in his native state of North Carolina and in Virginia. He served his Association manfully and loved his fellow Ministers. He was one of the best Pastors to his people that we have ever known.

The House of Worship and the commodious Pastorium at Swansboro in this Association will stand as monuments to his sacred memory as long as brick and mortar last, but his love and service will follow him into eternity. It would be an honor to this Association if an appropriate memorial were errected to his memory as a worthy representative of Christians in this part of the state.

May the Lord help us to profit by the privilege of our fellowship with all these who have gone on before us to get our Heavenly home ready for our own home going in the future.

REPORT OF ASSOCIATIONAL MISSIONARY TO ANNUAL MEETING — 1964

The church year 1964 has not seen the results in the associational mission program that the missionary would like to have seen. This could be due to many reasons. One could be that perhaps the missionary expected more of himself and the churches than

was reasonably possible under the circumstances. The reports of the churches are not available as this is being written, but it is true that if we even broke even we have made progress. When we consider that last year we lost 297 in Sunday School enrollment and over three hundred in total church membership, even if we held our own it would still be progress. This loss has been the trend for at least the last few years. Anything above what we started with at the beginning of the year would be real progress. We would, however, like to see much, much more than an even break.

It is my belief that the associational Missionary's work is being hampered to a very large degree by being tied to desk work. The desk and office work is a necessity and cannot be laid aside. I am grateful for the vision and foresight of the Finance Committee in preparing and presenting a budget that will provide for at least part of these needs. I feel that if the churches would really respond to the suggested budget and provide what is just the absolute barest necessity, that much more effective work could be done.

It could be that one reason the work has not been as effective as we would like to see it is that the associational mission work is not understood by the churches to the degree that it should be. The role and function of the missionary and association is not held in the proper perspective. This will take time and education to correct. The function of the missionary is not to present a "program" to the churches or superimpose an "associational program" on top of an already loaded church calendar, but to help the churches do whatever they are doing better. Perhaps a better response to the associational leadership in all areas would make for more effective work among the churches. Some meetings are necessary. In this particular locale, because of distance and time, the word "meeting" has a rather bad connotation. We have stated and now state again that no meeting of any associational nature called by the missionary or where he has any voice or part in planning will be just "another meeting" or where real work will not be done, provided those who are supposed to be present are in attendance.

God has blessed. Whatever real effective work the associational missions program is able to accomplish will be reflected in the local churches. This is as it should be and as we want it. We believe there has been growth. Many of the churches have sponsored either the Growth in Christian Stewardship or Forward Program this year. Some of our churches are giving more of the collection plate dollar to missions, including two churches giving 4% to associational missions. The end of last year saw eleven of the churches without pastors - one third of them. At present all but one have pastors - three have pastors leaving - which will make four. Many other things are in evidence to show that God's approval has been evident. One of the outstanding things is the fine fellowship we enjoy among the churches and pastors. This is very important, and our prayer is that in Christ it may be deepened and strengthened.

In doing the work of the association, the missionary worked 3,630 hours or an average of 69.8 hours per week, drove 29,880 miles in doing it, mailed 8,452 pieces of mail, logged 24:15 hours flying time, held two revivals in the churches, taught 15 study courses and mission studies, preached or spoke in the churches 117 times and visited 43 times in the churches without participating in any way, except public prayer. In this is included 625 meetings attended and personal conferences as follows: 122 group conferences and committee meetings, 323 personal conferences with individuals, and 403 other meetings. In this is included 100 office appointments and 397 outside the office; 314 of these were church related, 323 related to the association, and 92 were of other nature, personal or otherwise.

Respectfully submitted,
H.A. Privette

WOMAN'S MISSIONARY UNION REPORT

This year of Jubilee has brought some encouragement. More churches than usual

sent in Mid-year Progress Reports. More societies are enlarging their programs to attain Aims for Advancement. If we are to carry out the "Commission," we must begin to train our youth, beginning with Sunbeams. Giving all our young people a vision of the world that is "white unto harvest," instead of just seeing countries as maps, we must see the teeming millions of people who stand upon the soil of these countries, and unless we who claim to be Missionary Baptists awake to our marvelous opportunity, at home and around the earth, many of these will never have heard the message of Jesus' love and salvation.

Our annual meeting was well attended and our program was meaningful. The Missionary speaker was "our own" Mrs. W.T. Roberson, Missionary to Vietnam. She brought a message full of information, inspiration, and challenge. She made us aware of our meeting theme--"For Liberty and Light." She also emphasized the meaning of the Prayer Calendar as applied to her life, with a specific instance. This so impressed a visitor from India that the next day I had the privilege of explaining to her the Prayer Calendar and the assurance of praying to a Living God.

Mrs. Gilmer Cross, State Prayer Chairman, brought a message, presenting the plan of work as related to "Liberty and Light." Our Associational officers gave brief reports and gave to local chairman a challenge for better participation in all Aims for Advancement.

For the first time we had an Associational Day Camp for World Friends. This was held at Havelock First Church, August 13th. It was well attended, the program very interesting. There were two sessions with lunch served by the hostess church. Mrs. Charles Fitzgerald, our Associational Sunbeam Director had planned well. We thank her.

Our Girl's Auxiliaries in the Association had a Prayer Retreat at New Bern, First Church, August 20th. This was very well attended. Many of the group were in the younger junior age. I mention this because of the rapt attention throughout the entire Retreat. This was an outstanding example of young Christians at worship. Lunch provided by the Association was served by the Young Woman's Auxiliary of the First Church.

We can truly say that we have used our Watchword for the year: "O Give Thanks unto the Lord; call upon His name: Make known His deeds among the people." Psalm 105:1.

Respectfully submitted,
Mrs. E.L. Davis

BIBLICAL RECORDER REPORT
CHRISTIAN LITERATURE

When North Carolina Baptists think of their own literature - they naturally think of their state Baptist Paper since 1833 - the Biblical Recorder. Down through the years, it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the Recorder strives to convey its message in an attractive and appealing manner. This it is doing even now.

The Recorder is edited so that it will be of interest to all Baptists in North Carolina. Our hearts are indeed thrilled when we turn through the pages of each new issue. We are amazed when we note the many features found in each copy. This includes full page pictures on the cover, and stimulating editorials. The Sunday School Lesson, the Editor's Notebook, complete coverage of all Baptist news, changes in the churches, life in the churches, the Family Page, comments on books, numerous pictures, inspirational pieces, stories about your fellow Baptists, and so many numerous articles that are impossible to mention.

It is the Recorder's job to keep North Carolina Baptists informed - but remember, this is a two-way street. Even though the Recorder may be providing the very best in-

formation available on these given matters, you will remain in the dark unless you receive and read the Recorder weekly. If you are not receiving the Recorder, then you have no idea what you are missing!

Every church is urged to subscribe to the Recorder under the Every Member Plan for only $2.00 a year--at the cost of a 4¢ stamp each week, to every resident family in the church. This is the best and simplest. Seven churches of our association are following this plan. It would indeed be wonderful if every church sought to place the Recorder in every home in the church.

As a starter, your church may want to get four or more people to take the Recorder, thus qualifying for the Club Plan before going into the Every Family Plan. Your cost is only $2.50 a year. However, if you find it impossible to secure four subscriptions, you may subscribe for $3.00 a year. It will not really cost, but will pay you tremendous dividends.

No where else can you get so much for so little. Try the Recorder for one year and you will see what I mean. Then you will see for yourself the blessing you will receive from having it in your home each week.

It is our hope that we will enroll a great percentage of our non-subscribers during the coming year. With your help the Recorder will be placed in many homes for the first time!

REPORT OF THE N.C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation Inc. encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's life and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills. The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

COOPERATIVE PROGRAM REPORT

Since God created man and men began to multiply upon the face of the earth, it has been found necessary to cooperate together to achieve common goals. Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists, as well as Southern Baptists, to support the world ministry committed to them by Christ in the Great Commission.

Your church has a part in the support of over 5,000 missionaries who baptized over 58,000 people last year if you gave through the Cooperative Program. In addition to these missionaries we help 63 Baptist hospitals, 45 Orphanages, 14 homes for the

aging and 1,132 schools around the world as we give through the Cooperative Program.

Whatever is given through the churches to the Cooperative Program is sent to the Convention Office in Raleigh. Cooperative Program gifts are then divided between all missions, Christian Education, and Social Service work of Southern Baptists.

Our people are giving approximately one third of the tithe into their churches. The churches gave a little more than eight cents of each dollar of church income through the Cooperative Program to witness to two billion lost people in the world.

There are now available to our churches in the Atlantic Baptist Association, North Carolina and Southern Baptist Conventions, four programs to give mission-minded churches the information needed to better reach their tithe potential. These programs are: The Forward Program of Church Finance, Growth in Christian Stewardship (for churches up to 300 members), Stewardship Development for Baptist Associations, and a Year-round Stewardship Development.

During the past associational year, 29 churches in the Atlantic Baptist Association gave a total of $58,024 through the Cooperative Program. In the year ahead let us determine to use every available means and resource to inform and challenge our churches to support a world mission program through the Cooperative Program.

SUNDAY SCHOOL REPORT

We had the same number of church vacation Bible schools as last year, 29. However, Cherry Point sponsored 2 mission schools, making 31 schools. Total enrollment was 3334, with an average attendance of 2,877. The mission offering was $858.43. There were 99 professions of faith with 94 rededications. There were 5 churches that had no school.

We had two associational meetings, May 12 and 15, Beaufort, First and New Bern First. Planned conferences were arranged for the different age groups led by the associational Sunday school department age superintendents. The closing message at the first was by Rev. Paul Kesterson from the Sunday school office in Raleigh. Rev. Tommy Payne, district superintendent, brought the closing message at the last.

The associational Sunday school planning meeting was held at Cherry Point Monday night, September 7, to consider goals for the next year's work.

"Action Night" was held at the First Baptist Church, Havelock, Thursday night, September 10, with representatives from fourteen churches; twelve pastors, six general superintendents, eight department superintendents, thirty-six teachers, and others. We hope that meeting will prove to be "a shot in the heart, as well as in the arm" for better Bible teaching in growing and better all-rounded Sunday schools.

At the writing of this report, information of the Sunday school work last year was not available for comparison to indicate gains or losses.

Goals accepted "Action Night" as a challenge for the year 1964-65 are:

1. Every church observe January Bible study week, church-wide, if possible.
2. Every church have a vacation Bible school, with 10 standard schools. We had seven last year.
3. A 2 per cent of adults won to Christ, based on resident church members.
4. A 10 per cent of the unenlisted church members enrolled in Sunday school.
5. A 10 per cent of the persons between the Sunday school enrollment and the average attendance, included in the average attendance.

CHRISTIAN EDUCATION

Seven Baptist Colleges, with an enrollment of more than 10,000 face the future dependent upon the prayers, support and decisions of North Carolina Baptists.

As our dollars are being stretched to the breaking point and students are over-

flowing inadequate facilities and, in most cases, being served by an inadequate faculty, we must face realistically the most expensive business in America - the Education of Our Youth.

During the past year the Convention Council on Christian Education, the Executive Committee of the General Board, and General Officers of the Convention have been engaged in an intensive and exhaustive study of problems now faced by our colleges. Their recommendations on two important matters, A Trustee Proposal and a Policy Related to The Higher Education Facilities Act, will be presented to the Baptist State Convention in November.

In facing the problems and challenges involved in Christian Higher Education, several suggestions are in order.

First, each of us should resolve to keep an open mind on the proposals which are to be submitted to The Convention. Those of us out on the fringe area will do well to remember that men in the center, such as the college presidents and General Board Members, are just as dedicated to the task and concerned about the future of the colleges as any one of us may be. We simply cannot ignore or take lightly their proposals.

Second, let us recognize that the cost of education has soared and the number of students has tripled in the last twelve years. Even now it is predicted that the next twenty years will produce an equal increase in students. To put it frankly, this is no time for the government and church to compete at the expense of our youth. Today we must explore all potential ways and means to make possible the highest type of education for the greatest number of our youth. Once we have found the way, it should be full speed ahead to implement it.

Third, as Baptists, we cannot afford to forget that the Cooperative Program is the lifeline to our Baptist Colleges. The present annual distribution of the Cooperative Program receipts to the seven colleges is equal to our endowment of $33,000,000. Without the guaranteed annual amount it is doubtful that any of the seven colleges could survive. It should be the expressed purpose of each congregation to magnify the imperative of increased giving through the Cooperative Program, as it is the very lifeline of Christian Higher Education, and all else that Baptists do anywhere on earth.

Finally, during these crucial days when Christian Education is undergoing a period of change, adjustment, and re-evaluation, let us here and now promise to be patient, prayerful, and yet persistent, to see that God's will is done in the vital area of Christian Education.

AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme of a program of missionary advance in which the American Bible Society is seeking to provide greatly increased quantities of Scriptures urgently needed for mission work around the world.

If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave - and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit usually below cost.

For the Blind, it supplies Scriptures in Braille and other raised-letter systems and Talking Book records.

In the program of "God's Word for a New Age" your American Bible Society is working in cooperation with 22 other national Bible Societies throughout the world.

The goal for the years just ahead is to increase the total world-wide Scripture distribution to 150 million volumes per year, which is three times the present global distribution, with half of this goal (75 million volumes per year) being undertaken by the American Bible Society. The long-range goals are:

A Bible for every Christian home

At least a New Testament for every Christian

At least a Scripture Portion for all who can read

An opportunity for every Christian to distribute Scriptures in personal witness

During 1963 the American Bible Society -

- rejoiced that some part of the Bible has been published in 1216 languages; the full Bible in 231, a Testament in 290 more, a Gospel or other complete book in 695 more--but counted over 1000 more languages in which no book of the Bible has yet been published.
- gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- distributed a record total of over 34 million Scripture volumes in 444 languages, in more than 120 countries--with almost half the total going to other countries--and dedicated itself to the task of doubling its annual distribution to meet urgent world-wide needs.

Southern Baptists Support the Work

Because the Bible Society serves mission work-- and Southern Baptist missionaries depend on the Society for Scriptures they need for their people-Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1963 Southern Baptist churches gave $167,498 to the American Bible Society. Methodist gifts were $172,771. Gifts from all churches in the U.S.A. totaled $1,120,277.

The help of every Southern Baptist church is needed and Southern Baptist churches can lead--if every church will give. Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

Smaller churches	$10 to $60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send your gifts to your Baptist state office marked "for the American Bible Society."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering the 14th year with eager anticipation and much enthusiasm. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings. Today there are 170 people waiting for admission.

The choicest bit of news for 1964 is the development of the 5th Baptist Home to be located at Yanceyville, North Carolina. This Home is made possible through the bequest of the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher--the greatest single bequest ever left to this ministry, enough to purchase the

land, build and equip the building. This home will provide care for 30 additional residents.

Today N.C. Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Homes at Resthaven and Hayes-Homes in Winston-Salem, and at the Albermarle and Hamilton Homes. This support comes from our 3400 Baptist churches through a special offering on the third Sunday in February. There was a 5% decline in gifts to the Homes during 1962, but we can only hope that this will be increased this year.

Life among the residents is filled with a variety of interesting experiences. The youngest celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. They all live a creative life and are thankful that the people called "Baptists" are providing for their care and happiness. For what better cause could we give our money?

REPORT ON SOCIAL SERVICE AND TEMPERANCE

There is no outstanding report to be made for Social Service and Temperance. Most of our churches help those that are in need and help to look after the old. There is not much temperance today. Liquor flows on a high level today. We are grateful to Dr. D.P. McFarland for the wonderful work he is doing in the fight with the liquor distilleries. His paper, TOMORROW, is worth subscribing to. He would appreciate your help in prayers and financially.

We appreciate the work the churches are doing. As Christians grow in grace they strengthen the moral fiber of a nation or country. When a Christian wins a soul to Christ, he helps to cover a multitude of sins.

THE BROTHERHOOD REPORT OF 1964

When the Brotherhood began in 1907 as the Laymen's Missionary Movement, its purpose was to challenge laymen to concentrate more thoroughly their time, abilities, prayers, and means to the glory of God in world-wide evangelism. A prime object of the movement was to enlist men in the affairs of Christ's Kingdom. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the Kingdom of Christ might prosper.

On the fourth Sunday of January, 1964, nearly every church in the association participated in Men's Day programs led by the Brotherhood. Laymen brought messages from the pulpits as lay speakers, others gave testimonies and read the Scripture passages for the day, led in prayer, sang in male quartets and male choruses. Many spent one or more hours during the day visiting and witnessing to the unsaved. In addition, other men gave testimonies in Sunday School and Training Union assemblies. The Southern Baptist Brotherhood Commission reports 9,000 Baptist Churches were led by Brotherhoods on Men's Day. Some 200,000 laymen participated: 75,000 men led in prayer; 39,000 sang in quartets; 18,000 gave personal testimonies; 22,000 laymen brought messages and 1,000 men and boys accepted Christ. About 2,500 presented themselves for membership.

On February 20th and 21st the Atlantic Association Brotherhoods met at the First Baptist Church in Beaufort and the First Baptist Church in New Bern to unite the hearts, minds, and souls to witness and lead souls to Jesus during our simultaneous revivals. The principal speaker was Rev. Clyde Davis, our State Brotherhood Secretary, who brought a message on missions. There were over 200 in attendance and much interest was shown.

We have some Brotherhoods who are very active and doing a good job for their Church and Jesus. The Royal Ambassadors throughout the association have shown good progress by having some fine programs for the boys. These leaders are to be congratulated. We are looking forward to having more activity in our Brotherhoods as we have a challenge to enlist all men of the Church in the Brotherhoods and to enlist our Church adults in Sunday School and to lead and teach our R.A.'s missions and church leadership. With your prayers and the help of God we hope that God's light will shine in us that it will be seen by somebody who is traveling in the dark.

BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again-learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all, I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with CHARITY AND CHILDREN, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives CHARITY AND CHILDREN so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

NORTH CAROLINA BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster

than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom He would minister through us.

B.J. May

REPORT ON EVANGELISM 1963-64

The special five-year effort (known as Baptist Jubilee Advance) in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey in May 1964. What was done is now history, and we cannot go back to improve or change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism-257; By letter-442; Total-699. I would note, too, that it took 34.7 Baptists to win 1 lost person to Jesus Christ.

The inevitable question arises: where do we go from here? What shall we do in 1965?

We can and must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches, and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our churches and in our own personal lives. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament.

A good definition of the New Testament picture of evangelism is found in the new SOUTHERN BAPTIST HANDBOOK ON EVANGELISM which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being IN CHRIST and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural, and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the EVANGELISM PLAN BOOK FOR 1965 which the Division of Evangelism of the Baptist State Convention of North Carolina will mail to all pastors this fall and the ASSOCIATIONAL EVANGELISM WORKBOOK which will be released by the Convention Press in October 1964.

Let us become united in our efforts to win the lost of our area to the Lord Jesus Christ. The "fields are white unto harvest." We must work and pray for a greater gathering of souls for Jesus in 1965.

Respectfully submitted,
E.T. Vinson

MISSIONS COMMITTEE REPORT

The Missions Committee is happy to report that 1963 and 1964 has been a very full year, both for the committee and the Associational program. The committee has met monthly and has sought to give attention to the advancement and strengthening of the Associational ministry. This year the Association decided to dispense with the idea of building a home for the Missionary and to henceforth provide a rental allowance, thus permitting the Missionary to rent, build, or buy as he so chooses, but gave definite instructions that his residence be in Havelock which is felt to be the geographic center of the Association. The Association office and Missionary residence are now located in Havelock. Definite plans have been made and approved for a School of Missions to be held February 20-25, 1966.

It is most encouraging to see the fine spirit of cooperation which prevails among our churches in behalf of Associational Missions. It is significant that thirty-one of our thirty-three churches gave financial support to the Associational program this year. There are many expressions of concern and optimism which are encouraging as we come to a new year. Our Missionary is rendering a great service to our people and to God.

May God give us a great vision and endow us with power from on high that our churches may continue to be a part of world missions and glorify His name.

REPORT OF THE TRAINING UNION DEPARTMENT

This has been an eventful, and I hope somewhat successful, year for Training Union in our Association. Unfortunately we began the year without a full quota of officers and had to lose a few along the way. These officers were able, however, to meet in executive session during November 1963 and January 1964 to accomplish planning for the programs that were undertaken. At present we have Training Unions organized and functioning in twenty-three of our thirty-three churches and missions, indicating that we have much yet to be done.

Three mass meetings were held during this year. The "M" Night meeting was held December 2, 1963 at First Baptist Church, New Bern, with an attendance of 260 representing 15 churches. The Greatest Percent Attendance banner was won by Oriental with 75% attendance while the Greatest Attendance banner was won by National Avenue, New Bern, with 51 members present. Reverend James O. Mattox, Pastor of Red Springs Baptist Church, brought a most inspiring message concerning the dedication of Queen Esther to the task which God had placed before her and challenging each and every person to equally dedicate himself to finding God's will and doing everything possible to fulfill God's desire. Training Union members present were challenged to work toward full participation in the Training Union program of study in order to become better stewards of talents and blessings which God has poured out upon each one.

The Associational Training Union Tournaments were held on Friday, April 3, 1964 at First Church, Beaufort. Twenty Juniors from four churches (Beaufort First, New Bern First, New Bern National Avenue, and Newport) participated in Junior Memory Work, nineteen going on to Region II; three Intermediates from New Bern First and National Avenue participated in the Intermediate Sword Drill with two going on to Region II, one Young Person from New Bern First spoke in the Speaker's Tournaments and went to Region II; and one adult from New Bern, National Avenue read in the Adult Bible Reader's Tournament and went to Region II. Eighteen Juniors won at the Region II Tournament and went on to the state and one Intermediate won at Region II and went to the State Youth Convention at High Point. Our Association was represented in Region II Tournaments by:

Junior Memory Work: Beaufort, First: Rachel Davis, Pam Lewis, Mary McGraw, Billy Mobley, Anne Potter, Alton Privette, Aleta Smith. New Bern, First: John Crump, Celia Goulding, Jettie Jones, Paula Jones, Billy King, Kay Russell, Jane Shembley, Jewel Kay Watson. National Avenue: Michael Cowell, Susan Small. Newport: Wanda Patton.

Intermediate Sword Drill: New Bern, First: Boyd King, Kevin Mauney.

Young People's Speaker: New Bern, First: Bobby King.

Adult Bible Reader: National Avenue: Miss Sarah Gibble.

Our Associational Youth Night was held April 18, 1964 at Newport Baptist Church with one hundred twenty-six Intermediates, Young People, and Leaders attending. The general program was conducted by seven of our Young People and included the motion picture, "Teenage Marriage," a conference on "Teenage Drinking and Smoking" led by Rev. D.P. McFarland, Director of the Christian Action League of North Carolina, a conference on "Christianity versus Conformity" led by Rev. Lacy Oliver, pastor of Spillman Memorial Baptist Church of Kinston and Training Union Director of Neuse Association, and closed with an inspirational message by Rev. Tom Bodkin, student at Southeastern Seminary.

During the past summer our Association was fortunate enough to be represented by fifty-five members at our State Training Union Assembly at Fort Caswell and five at our Southwide Assembly at Ridgecrest, N.C.

With all of the new approaches being made to Training Union and its work, I hope that you will become familiar with them through the materials that are available and

help your Training Union to help your church fulfill the task our Lord has challenged us to accomplish. At present our Training Unions are cooperating with the Sunday School in the Adult Thrust Program by providing a detailed study of "Visitation," one of the major emphases of the program. I strongly urge all Sunday School officers and teachers to participate in these studies. Just briefly, I would like to mention the Tasks of the Training Union and to note that generally speaking the Training Union has deleted its missionary and evangelistic studies since these are more properly WMU and Brotherhood responsibilities.

The Tasks of Training Union:

1. To Interpret
   a. Systematic Theology - A doctrinal study
   b. Christian Ethics - The conduct of Christians
   c. Christian History - Where did our beliefs come from
   d. Church Polity and Organization
2. To give orientation to new church members
3. To train church members to perform the functions of their churches
4. To discover, recruit, and give general training to potential leaders
5. To provide organization and leadership for special projects of the church
6. To provide and interpret information regarding the work of the church and the denomination

In closing I would like to announce that our next Associational meeting will be the Associational Training Union "M NIGHT" meeting which will be held on Monday and Tuesday nights, December 7 and 8. Since these are school nights, we are planning to hold two meetings so that you can get home without having to drive so far. One will be in the Eastern area and one in the Western area of our association. Rev. U.A. McManus, pastor of the North Rocky Mount Baptist Church will be our inspirational speaker and both meetings will be just alike. You can attend either one without missing anything.

Respectfully submitted,
Robert King, Jr.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Atlantic Baptist Association has taken seriously its responsibility "to act for the Association between sessions." It has felt deeply the weight of this responsibility. As the facing of issues necessitated decisions, this committee has prayerfully and carefully contemplated each decision cognizant of its responsibility to the Lord and to the Atlantic Baptist Association.

It is not the purpose of this report to rehearse the various organizational activities. These may be obtained through the individual organizational reports.

The major concern of this committee for the past year has been the creating of a spirit of unity among all phases of our work and all sections of our association. We have labored under the conviction that every church is infinitely important to the work of the Atlantic Baptist Association.

With this purpose as a foundation for our actions, one of the most important and far reaching decisions was made in the meeting of the committee on July 27, 1964. As a result of study by the Missions Committee, the Executive Committee approved the relocation of Missionary H.A. Privette to Havelock. Upon the commencement of his move, he would receive $100.00 per month housing allowance. The office of the Atlantic Baptist Association would now be located in Havelock. The present cost of such is $50.00 per month.

The office of our missionary serves as the control center for our association. It is our sincere hope that this centralization of his work will enable him to be more readily available to the needs of every committee or church.

As Moderator, I urge each of you to study carefully the reports of each organization. For the faithful and dedicated service of each member of the Executive Committee, I am sincerely thankful.

Respectfully submitted,
Billy T. Mobley

REPORT OF THE RESOLUTION COMMITTEE

Whereas the eighty-first annual session of the Atlantic Baptist Association has had one of its best meetings, giving information, inspiration, and challenge to our Baptist people, now be it resolved:

1. That we express our sincere thanks and appreciation to the host churches, Pollocksville Baptist Church and Parkview Baptist Church, for their generous hospitality and entertainment;
2. That we commend the Program Committee for the inspiration and challenge afforded us by the speakers of the session;
3. That the officers of our Association be commended for the admirable leadership provided during their administration;
4. That we express our gratitude to the Reverend H.A. Prevette, our associational missionary, as he labors among us in the name of the Master.
5. Be it further resolved that we encourage every church in the Atlantic Baptist Association to offer increased support to the total mission program of the association.
6. We are ever thankful to God for those who have caught the vision, and see the needs, and offer their time, talents, and money to promote the Kingdom of God in this area.

MISSIONS COMMITTEE REPORT

Your Missions Committee can report a year of progress in the ministry of Associational Missions.

One of the first actions of the committee was to relocate the Associational Office so as to provide more and better space. Located on Highway 70 in Havelock, the office is now rented on a monthly basis. Your committee is of the opinion that the building and location, a great improvement over the office location in the shopping center, meets the needs for our present program in an adequate way.

Among the highlights of the committee's work for the year are these:

1. The establishment of Seminary Extension work in two areas of the Association.
2. The continued preparation for our School of Missions scheduled for February 20 - 26, 1966.
3. Cooperation with the State Missions Department in securing guidance and financial assistance for the Aurora Church.

As we look to the future, your committee would suggest the strongest possible financial support from the local churches that Associational Missions might be expanded and made more efficient.

The Missions Committee commends the Associational Missionary for his work and urges all of our churches to encourage and assist him in extending the Ministry of Associational Missions.

Respectfully submitted,
Fred A. Mauney

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and

pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that the North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey, Executive Secretary

EVANGELISM COMMITTEE

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964--a gain of 2,379 or 9%. The churches in the Atlantic Association reported 300 baptisms in 1963 and 257 baptisms in 1964--a loss of 43. This year the churches in our association reported 281 baptisms--a gain of 24 over 1964.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our association this theme actually began October 1, 1965 with the new associational year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul. Materials and programs that are available to the churches may be obtained as needed from the Division of Evangelism, Baptist State Convention, Raleigh. Each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today.

Respectfully submitted,
E.T. Vinson

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an agency supported by the different Protestant denominations for the printing and the translating of the Word of God in all the languages of the world. Its services and influence reach around the world serving the cause of Christ to the best of its ability.

In our association its services are available to every church and member who will use them. Many of our churches contribute to the Bible Society through their budget or by special offerings sometime during each year. The American Bible Society will furnish a catalog to any church requesting it. Bibles in many translations, portions of Scripture, Scriptures for the blind, filmstrips, Scriptures for youth, and seasonal portions (Christmas, Easter, etc.) of Scriptures may be purchased usually at cost or below. The ABS is a non-profit missionary organization. Several of our churches buy Scripture portions for distribution in jails, hospitals, nursing homes, to shut-ins, and for members to take with them in regular visitation programs. Several churches get literature for the blind from the American Bible Society. The Society will furnish many free materials for use with the blind.

For a catalog or inquiries of any kind, please write to : American Bible Society, 1435 G Street NW, Washington, D.C. 20005.

Respectfully submitted,
William J. Jones

BROTHERHOOD REPORT

When we take inventory to give a report on what we have done for our Savior Jesus Christ, there is so little to report in comparison to what Jesus has done for us.

Our Brotherhoods did an excellent job Sunday, January 24 in cooperating with the pastors in the morning and evening worship services. Laymen brought messages, witnessed, gave testimonies, read the Scripture, and comprised the choirs.

The last of January the Association Brotherhood officers with Region II Brotherhood Leader Robert Shields and State RA Leader Rev. Gilford Daugherty gave a Leadership Training Course at Cherry Point Church for the Brotherhood officers of each church. Purpose of the meeting was to increase the knowledge and understanding of the duties of each officer.

The Brotherhood men of the New Bern First Church, Tabernacle, National Avenue, and Battleground Park sponsored and assisted the Aurora Church in taking a church censes. The fellowship in working together was inspiring, and each one participating received a great joy.

The Royal Ambassadors held a seminar May 6 and 7. R.C. Bowen, Association RA Leader, with the help of Bill Jackson and J.E. Bullock of Raleigh held a two night seminar at Newport Church. Purpose was to train RA Leaders. The seminar was well planned and received lots of good comments. Every church needs a Brotherhood and a Royal Ambassador chapter, as it is a part of the church. Brotherhood is a challenge to all Christian men and young men to become mission-minded Baptists. It teaches men to pray, witness, and take part in stewardship that God's plan of salvation may be fulfilled.

Respectfully submitted,
G.R. Burnham

REPORT ON BAPTIST HOSPITAL

Over 35,000 sick people were seen in clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care, coming from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known. Most were sent by their local doctor because they had problems difficult to diagnose or treat and needed specialized facilities and skills such as those found at our Baptist Hospital.

There were over 700 persons in training in various fields of medical care and Christian service. These students were studying in ten different schools and other

fields of training in our Medical Center and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers in our communities and churches throughout North Carolina and around the world. Our schools offer excellent opportunities and are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

All the Mother's Day offerings are used to minister to people who are seriously ill and in meager circumstances. When the doctors have given their skilled services without charge to these patients and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help. It is a high privilege for us in our churches to minister in the name of the Great Physician through our hospital to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

SUNDAY SCHOOL REPORT

The Sunday Schools of the churches of the Atlantic Baptist Association continue to be the spearhead of advance in the life and work of our churches. The Sunday school remains the indisputable leader in outreach with the Gospel, helping the church in its basic functions of worship, proclamation, education and ministry.

As we begin a new church and associational year, three words stand out in relation to Sunday school work: TEACH, REACH, WITNESS. To TEACH the Biblical revelation and to REACH people with the Gospel message of the Bible are the first tasks of the Sunday school. For the year 1965-66 our convention-wide emphasis is on WITNESS; namely, "AChurch Fulfilling its Mission Through Proclamation and Witness."

Southern Baptist Sunday schools are hoping to enroll ten million people by 1970, North Carolina enrolling one million of these. Perhaps a worthy goal for us to accept in our churches would be a net enrollment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We are speaking in terms of people who need the Gospel of Jesus Christ. Outreach must have priority.

During the past year, 1964-65, our Associational Sunday School Organization has promoted only three projects. Vacation Bible School Clinics were held on March 23, 1965 at New Bern and on March 25, 1965 at Beaufort. A Sunday School Growth Workshop for the leadership from our churches was held on August 17, 1965. Our Association was host to the Region 2 Sunday School Convention September 13, 1965 at First Baptist Church, New Bern. This convention took the place of our annual Action Night.

In the coming year your Associational Sunday School workers desire only to assist the local churches in any possible way to strengthen Sunday school work. Your request for assistance will be met with all available resources.

Respectfully submitted,
Tom M. Jones

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children, it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or

large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way, the Homes would like to know of your interest.

The Children's Homes Cottage on Bogue Banks near Emerald Isle has made possible a completely new and wholesome experience for our child care family. By the end of August more than five hundred children living in our group homes had opportunity for a week at the beach. Possibilities for providing "extra help" for our children through wholesome recreation and worship experiences in this setting are unlimited. The cottage has been used on many occasions during the year for young people, college and adult groups. It is ideal for retreat and group meetings of various types.

Everyone with Christian compassion for children in need is urged to learn more about the ministry of the Baptist Children's Homes, take a personal interest in the children and give generously to the continuance of this work.

Respectfully submitted,
Mrs. George H. McNeill

COOPERATIVE PROGRAM REPORT

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and missionary advance is perceptible among Baptists. It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor, that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead.

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to foreign missions.

The Cooperative Program is not an object we give to, but the channel we give through in support of all our Baptist work in state, home, and foreign missions.

The churches of the Atlantic Association gave last year 1964, $68,992 through the Cooperative Program. According to available records Atlantic Association during the past year gave a total of $64,052.00 through the Cooperative Program. Two churches did not share in world missions through the Cooperative Program.

Faithfully submitted,
A.L. Benton

AUDITOR'S REPORT

This is to certify that the association's books kept by Mr. R.N. Scott, Treasurer, were audited on October 12, 1965 by Mr. Lacy Stone and Mr. G.R. Burnham. We found the books in balance and in excellent condition. We commend Mr. Scott for a fine job well done.

Respectfully submitted,
George R. Burnham

REPORT OF ASSOCIATIONAL MISSIONARY

The year 1965 has seen some remarkable progress in the area of associational missions as the churches have begun to better understand the function of associational missions and the role of the associational missionary. There has been growth in most areas. One outstanding thing is the caliber of ministers being called by our churches. The churches are realizing that they do get a better type ministry when they invest in it. We have lost some good men as pastors, but we have also gained some. Three churches have realized the need of additional staff workers to take part of the load of the minister and allow him to "devote himself to prayer and to the ministry of the Word." We believe as a whole the type of leadership in the churches has improved.

The Missionary has continued to enjoy a wonderful relationship with the churches and their pastors and works with them in whatever capacity he can at their invitation. During the past year he preached or spoke in the churches 75 times and made 70 visits to churches in which he took no active part aside from public prayer. He attended 914 meetings and personal conferences, including 41 group conferences and committee meetings, 659 personal conferences with individuals and 214 other meetings. One hundred thirty-seven individual office appointments were kept and 570 outside the office with individuals of which 439 were church related and 495 related to the association. One hundred eighteen were of personal nature or otherwise related to Kingdom progress.

In doing this work for the association, the Missionary worked 3,218 hours or an average of 61.9 hours per week, drove 22,230 miles in related associational work, mailed 20,381 pieces of mail for the office, logged 12:45 hours flying time related to the association, held one revival, conducted one Vacation Bible School, one funeral in a church without a pastor, met in 14 different meetings with Pulpit Committees at their request, and participated in two ordination services. He taught 11 study courses and mission studies in the churches.

Respectfully submitted,
H.A. Privette

TRAINING UNION REPORT

The Training Union began its year with two "M" Night meetings, the first on December 7, 1964 at Pollocksville Baptist Church (who won the greatest percent attendance banner) and the second on December 8, 1964 at First Church, Davis (who won the greatest attendance banner). Rev. U.A. McManus, Rocky Mount, brought a most inspiring message both nights. One hundred sixty-five persons, including eleven pastors, represented seventeen churches.

Associational Youth Night, March 20, brought together at Parkview Baptist Church, Morehead, 149 of our youth and their leaders, including 10 pastors, representing 15 churches. Fifteen of our youth conducted general conferences and assisted the adult leaders of the five social, vocational, and brainstorming conferences that were provided. Of particular concern was the fact that only three of our senior high school youth were interested in a vocational conference. Rev. Sam H. O'Neal, Adult and Young People's State Training Union Department Associate, brought an inspiring and challenging closing message.

The Associational Training Union tournaments were held March 26 at First Church, New Bern. Fifteen Juniors participated in the Memory Work Tournament: Rachel Davis, Pamela Lewis, Billy Mobley, Aleta Smith, First Beaufort; Bruce Burroughs, First Davis; Sharon Cleveland, Wanda Patten, Alton Privette, Cherry Point;

John Crump, Billy King, Becky Warren, Jewel Watson, First New Bern; Mike Cowell, Ruth Everett, Janet Hill, National Avenue. Boyd King, First New Bern, was the only participant in the Intermediate Sword Drill. Marilyn French, Battleground Park, and Lexine Small, National Avenue, participated in the Young People's Speaker's Tournament. Thirteen juniors, Boyd King, and Marilyn French represented Atlantic Association in the Region II Convention held at Kennedy Home April 12, 1965. The 1966 Region II Training Union Convention will be held at New Bern First.

The Training Union Department sponsored an On To-College Conference for senior high and college youth of the association August 28. Rev. Robert Phillips, State BSU Associate, several BSU state officers, Rev. Ted Janes, Southeastern Seminary and several laymen of the association led three discussion conferences related to the topic, "The Relation of You in Your Vocation to the Church." Thirty-five people representing seven churches attended.

The Training Union Director was privileged to attend the Training Union week of study at the North Carolina Baptist Assembly at Southport.

The Associational "M" Night meeting will be held December 6, 1965 at First Baptist Church, Havelock.

Respectfully submitted,
Robert King, Jr.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Atlantic Baptist Association has met at the scheduled times during the past year and has sought to act within the Master's will in conducting the work of our great Association between sessions.

A good spirit has prevailed at all times, and generally attendance has been very good. The last meeting was not as well attended, and this appears to be a perennial problem, possibly resulting from annual election of new officers within our local churches in September and some not properly informed about the Executive Committee quarterly meetings.

The work of our Association has moved steadily along during 1964-65. The Association office was relocated in the old Municipal building in Havelock. The great challenge before us in the Aurora area has and should spur more of us in giving "until we feel good inside" toward the mission endeavors in our Association. We are in the process of establishing an encampment for Atlantic Baptists, made possible through a generous offer by Mr. Hodges Parker of Battleground Park Church.

We should all be disturbed over the continual "rotation" of pastoral leadership in the Association. Perhaps some of our churches would do well to consider ways and means whereby they may ameliorate their own church-pastoral relationship.

Another problem confronting us is the apparent lack of understanding on the part of many of our people in the distinctions between ourselves as Southern Baptists and the other Baptists of our area, particularly the Independents. A good program of "indoctrination" is needed not only for our new converts, but for all of our people.

As your Moderator, I covet your prayers for both the Executive Committee and myself. Give God your best in these days through your beloved church and your Association.

Respectfully presented,
John Worth Long

CHRISTIAN EDUCATION

These are days of tremendous pressure upon our Institutions of Higher Education. The costs of maintaining colleges are increasing year by year. At our last Baptist

State Convention our people rejected the acceptance of government funds to assist in expansion of facilities, so we have taken the responsibility upon ourselves to provide these funds. Unless we do provide funds sufficient, we will have to one day accept mediocrity for our Baptist Colleges.

Already it has become necessary for tuition in some of our colleges to be raised too high for some students to attend. We are running the risk of pricing ourselves out of service.

We as Baptists must decide whether we are really going to make an effort to provide first rate education, and then see to it that funds are made available for it. We need to encourage our people to make endowments to our colleges. We need to concentrate more completely on supporting the Cooperative Program. And we need to give sacrificially to our colleges on Christian Education Sunday. Last year the offering to the colleges from our association on Christian Education Sunday amounted to $474.00. Our colleges are making significant contributions to our work as Baptists. We need to give them our dedicated support.

REPORT ON BIBLICAL RECORDER

Serious moral issues face us on every hand. Baptists need an accurate and comprehensive source of information. Secular papers do not meet this need. All too often religion is found only on a Saturday Church page--if at all. The BIBLICAL RECORDER has been a dependable medium of information for 132 years. Special issues are devoted to such events as Southern Baptist Convention, State Convention, Missions, etc. It also carries special features of interest and concern to our churches and people.

Editorials in the RECORDER aroused our people when a bill was introduced in the 1965 General Assembly, and they in turn contacted their legislators. The bill was soundly defeated. A bill to legalize liquor by-the-drink can be expected in the 1967 Assembly. The RECORDER will keep our people informed.

In the Atlantic Association, great coverage was given the Aurora mission opportunity that brought more focus upon this area than any other Baptist news media in years. The RECORDER has carried articles written by two of our pastors this year, Rev. J.W. Long and Corbin Cooper. These received wide coverage.

We have recently had some of our churches upset over remarks made over radio concerning an error in a selection of reference books in one of our Training Union periodicals. If the membership of these churches involved had been reading the RECORDER, they would have clearly understood what had happened and why and also the apology of the Sunday School Board for the error.

In the Atlantic we have nine churches with the every-member plan. These are: Cherry Point, Davis, National Avenue, New Bern First, Piney Grove, Spring Garden, Swansboro Tabernacle, and Woodville. There are fifteen churches with club plans and nine churches without any RECORDER subscriptions, except those that are given complimentary to the Pastor and Sunday School Superintendent. There are at present 940 RECORDERS going into the homes of our people each week. This is a net gain over 1964 of 59. Four clubs were started this year.

Only four people are needed to start a club. It is best to send the RECORDER to every family under the Church Budget plan. The average Baptist family spends at least 50¢ to $1.00 a week on newspapers and magazines. And yet, for only four or five cents a week--the cost of a postage stamp--the RECORDER can come into a home.

MUSIC REPORT

While all other organizations of the churches lost in enrollment this past year, the Music Ministry of the association gained from 731 in 1964 to 989 in 1965, an increase of 258, or a 20% gain.

While our numbers go up we also need to increase our musical ability in the churches. Funds are available and the leadership is willing if churches will show the initiative and request assistance in music schools, clinics, and other means. This year two festivals are in our association, the first time ever. The Regional Festival, for juniors, youth, and adults will be March 2nd at First Church, New Bern. And the State Junior Choir Festival will be April 2nd also at New Bern First. This will be the best opportunity that the churches of this area have had to build better choirs, and they will go back to Kinston next year if we don't participate. Churches without choirs in these ages should have some of their leaders and juniors or youth attend as this will stimulate them to return to church and work to start choirs.

REPORT OF TIME, PLACE AND PREACHER COMMITTEE

The Atlantic Baptist Association will meet October 27 and 28, 1966. First Day, October 27th we will meet with the Morehead City, First Church with H.A. Privette as the Preacher of the Mission Sermon and William Jones as alternate.

Second Day, October 28, we will meet with the Tabernacle Church of New Bern with L.D. Munn as the preacher of the Doctrinal Sermon and James E. Baucom as Alternate.

WOMAN'S MISSIONARY UNION REPORT

This past year we lost in membership. I would urge all our women to PLEASE be willing to accept responsibilities, so that what we may attempt will be acceptable to our Master.

In our Annual Meeting all phases of Missions was effectively presented. Associational Missions brought by our Missionary, Rev. H.A. Prevette, was a challenge. He asked for a new dedication to this work. Almost every woman present came and pledged her efforts in this behalf. We are grateful to our Missionary for his help. He has taught many W.M.U. Study Courses. Mrs. Martha Hernandez, a Cuban refugee and a product of Home Missions made this phase of our work come alive. Her sincere testimony was a challenge to every Christian. Foreign Missions came through two lovely ladies--Mrs. Lena Adkins of Indonesia. She was a Baptist in her homeland. She was a teacher by profession. It was thrilling to listen to her telling of becoming a Christian and then leading members of her family to Christ. Mrs. Ronald Edward Nickelson from Thailand was an enthusiastic speaker. She had taught in Mission language school, so had contact with many missionaries. Her testimony was a true witness to Christianity. Many of our women thought this the best applied program of missions that we had ever had.

We had a well attended Leadership Conference. Our Prayer Retreat, planned by Mrs. John Lashley was held at the Children's Home Cottage at Emerald Isle. This was a smaller group than usual, however, it was a day of soul searching, worship, and inspiration.

Our Y.W.A Director, Mrs. Charles Midkiff, had a Leadership Course for leaders, and, a Study Course for Y.W.A.'s.

Mrs. Alton Whitty planned a G.A. Rally in the form of an over-night camp. This was divided into Junior and Intermediate groups. They had Bible Study, Missions and Recreation. Our guest speakers were returned missionaries from Japan and a friend who had visited the Holy Land. Each of these had excellent slides that really made their talks live.

I would like to take this means of thanking the members of Woman's Missionary Union in the Association for every help, every service rendered by many. For the unusual cooperation of each Associational Officer who served with me these seven years. And most especially for the prayers in my behalf through the years and then in these recent weeks. The Christian fellowship has been wonderful!

Respectfully submitted,
Mrs. E.L. Davis
